Subject – **Regarding permission to run B.Voc. Courses.**

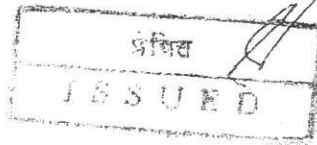

Sir/Madam,

With reference to your proposal no. LSR/B. Arch/2016-17/256 dated 20.02.2017 submitted to this office on aforementioned subject, I am to say that the B.Voc Degree is a specified degree under Section 22 of the UGC Act, 1956. The UGC, therefore, has no objection in college starting the B.Voc Degree Programme in compliance to the UGC guidelines with affiliation to the University of Mumbai. The Affiliating University has to ensure compliance related to Qualifications Packs /National Occupational Standards based skill curriculum and industry partnership as per the scheme guidelines with due approval of its Statutory Authorities.

However, approval for the programme by the UGC can only be considered after inclusion/recognition of the college under section 12 (B) of the UGC Act, 1956 in the light of the extant guidelines.

Yours faithfully,

  
(Dr. Nikhil Kumar)  
Education Officer
