

NAAC CRITERIA 7.1.3

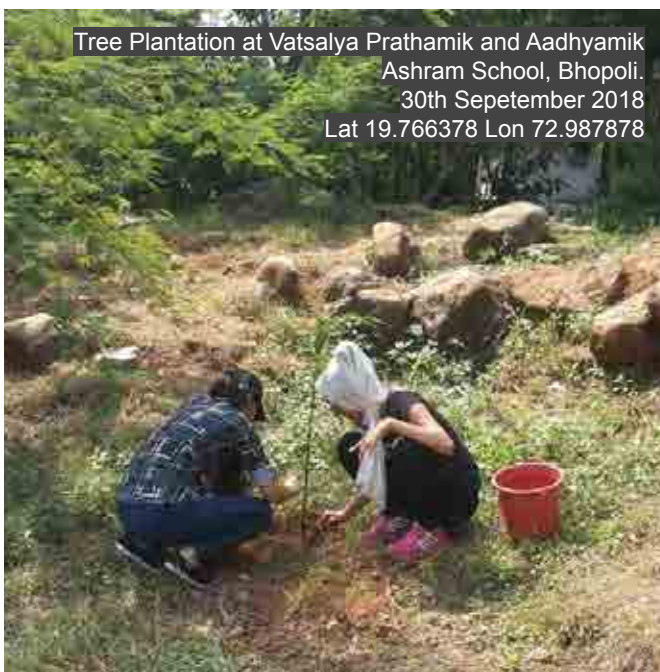

BEYOND THE CAMPUS SUSTAINABILITY PRACTICES
AND ENVIRONMENTAL PROMOTION

1. TREE PLANTATION DRIVE

L.S. Raheja School of Architecture engages activities with students and community for spreading awareness about sustainable practices and protecting our environment. Plantation of trees is one such activity for greening of the environment for its Multifood ecosystem services. This also increases association of students with nature and community. Such an event was organised on 30th September 2018 at Vatsalya Prathamik and Aadhyamik Ashram School, Bhopoli.

PARTICIPATION IN SOLAR DECATHLON 2020-2021

Solar Decathlon is an internationally organized student design competition addressed to create innovative and high-performance building designs that address real-world issues. After having successfully executed in the US and Europe, the first India cycle was introduced in the year 2020-2021. The students of L. S. Raheja School of Architecture participated in this year long competition under their team name Archender. The students successfully qualified the first out of the three design stages. This project was intended to be executed at the community level.

Software support extended by Institute for participation in Solar Decathlon 2020
