Arvind M. Khanolkar** (Herein after referred to as the 'Second Party' which expression shall include its successors and assigns)

Now, this Deed of Memorandum of Understanding witnesseth as follows:-

#### **PRELIMINARY:**

##### **About Glass Academy Foundation**

Glass Academy Foundation, a section 8 registered company and a non-profit body, which works on knowledge & skills dissemination amongst the various stakeholders in the Indian Façade & fenestration industry. Glass Academy Foundation is governed by independent Advisory Board comprising distinguished experts & leaders from academia and industry who have made significant contribution to the development of Indian construction industry. With the guidance of the Advisory Board, Glass Academy Foundation offers several training aids such as online learning modules on sustainability & green building education, webinar sessions by industry experts, elective curriculum for students, fellowship program for study/ research, skill development programs to facilitate quality workmanship, development of specific design tools, thematic workshops etc.

##### **Glass Academy Foundation Board:**

The Glass Academy Foundation believes that the vision can be realized best with experts from the industry at the helm, thereby providing necessary guidance in their areas of specialization. For this

purpose, the Glass Academy Foundation has created a Board, namely, the Glass Academy Foundation Board, comprising leaders from the stakeholder groups. The Board chairs and manages the Glass Academy Foundation with zeal and commitment to constantly better its achievements and reach out to various sections of the society.

With the guidance of the Board, the Glass Academy Foundation offers a range of programs, including eLearning programs, Scholarship programs for Projects/ research on Glass, Thematic workshops, Skill development programs, intense training sessions in factories and sites and training on specific design tools, etc.

#### **About L S Raheja School of Architecture:**

L.S. Raheja School of Architecture is one of the pioneer institutions in imparting education in the field of Architecture. The parent trust, 'Bombay Suburban Art and Craft Education Society' began this professional course in 1953, under the recognition of Directorate of Technical Education, Maharashtra State as a 5 year full time course offering Government Diploma in Architecture, under the recognition of the Council of Architecture.

In the year 2007, L.S.Raheja School of Architecture got affiliated to Mumbai University and offered a Bachelors in Architecture also recognised by the Council of Architecture. The institute strives to bridge the gap between professionals and educationists so the students benefit the most at the end.

#### **Context and Rationale of Memorandum of Understanding:**

With the advent of technology and availability of materials locally, buildings in India have started having extensive amount of glazing – either in the form of façade glazing or in the form of windows. The private and Government infrastructure is also witnessing major growth in all parts of the country in which structural glazing plays a vital part of it.

However while the Glazing Industry has grown very fast, there are gaps in knowledge expertise and skills in appropriate selection, design, Processing and glass installation which has led to difference in need and suitability, inappropriate design, poor quality of workmanship, delayed completion and additional costs arising from rework. This requires a wide range of Knowledge and skills that are not yet been recognized as Subject of importance to be learnt, specific skill or trade.

The quality and performance of a building envelope are totally dependent on the right selection of material- Type and design, standard of workmanship and knowledge available at site. The employment of a Skilled Personnel with appropriate skills and knowledge is essential, if the building envelope is to be erected in time to the required quality standards.

To,

**The Principal / Dean / Director,**

**Subject: Faculty Development Program to be conducted in association with the Glass Academy Foundation from the 6<sup>th</sup> of June to the 11<sup>th</sup> of June, 2016.**

Dear Sir / Madam,

With a strong focus on Environmental Studies in the architecture syllabus, L.S.Raheja School of Architecture is beginning this academic year by organizing a Faculty Development Program in association with the Glass Academy Foundation – an initiative of St.Gobain, India.

The objective of this Program is to train faculty to take up an Industry based elective course to equip students of Architecture with modern concepts on Glass architecture, role of Glass in Sustainable Design and scientific concepts for improving building performance by using glass in the right manner. This Program has already been conducted in SAP, Chennai (Anna University) and Jadhavpur University and will be conducted in IIT, Rourkee, Gujarat Technological University (Gandhinagar), and R.V.College of Engineering with M.S.Ramaiah Institute of Technology (Bangalore) by the end of June 2016.

The training program, for a maximum of 25 teachers (on a first come first served basis), will be from the 6<sup>th</sup> to the 11<sup>th</sup> of June, 2016 from 9:30am to 4:30pm at L.S.Raheja School of Architecture, Bandra (East). Reporting time will be 9:00am on the first day. Schedule for the program is as attached.

This course will be conducted for the first time in Maharashtra in L.S.Raheja School of Architecture for the benefit of all Maharashtra Architecture colleges. It is my request to you to depute 2 to 3 teachers from your college for this program at the nominal cost of Rs.2200/- per teacher (to cover the cost of bus (for site visit) and meals for the days of the program). Registration form is attached in the e-mail. Payment is to be made via Demand Draft in the name of L.S.RAHEJA SCHOOL OF ARCHITECTURE.

Looking forward to your participation,

Regards,

Trainer Upgradation Program Model 1 on Glass Architecture & Design Faculty Development Program  
LSRSOA & GAF

### Trainer Upgradation Program Model 1 on Glass Architecture & Design Faculty Development Program

6<sup>th</sup> to 11<sup>th</sup> June 2016

With a strong focus on Environmental Studies in the architecture syllabus as prescribed by Mumbai University, L.S.Raheja School of Architecture began the academic year (2016-17) by organising a Faculty Development Program in association with the Glass Academy Foundation. The objective of this Program was to train faculty to take up an Industry based elective course to equip students of Architecture with modern concepts on Glass Architecture, role of Glass in Sustainable Design and scientific concepts for improving building performance by using glass in the right and efficient manner.

This Program had been previously conducted in SAP, Chennai (Anna University) and Jadavpur University, IIT Roorkee, Gujarat Technological University (Gandhinagar) and R.V.College of Engineering with M.S.Ramaiah Institute of Technology (Bangalore)

This was the first instance where this program was conducted for Maharashtra and L.S.Raheja School of Architecture was chosen among other prominent schools to host via the constant dialogue between Glass Academy Foundation, where the faculty members of the institution showed keen interest in the subject.

In association with Glass Academy Foundation  
**June 06- 11 2016**

A Faculty Development Program is being conducted by **LS Raheja School of Architecture**, Mumbai in association with Glass Academy Foundation on Glass Architecture and Design at the department of Architecture between June 06- 11, 2016.

This will be an industry-academia partnership workshop program including industrial visits and sessions by industry experts with certification. Institutions interested can depute (min one max three) faculty members of Architecture (Max strength 25 on first come first served basis) for the program. Kindly send the registration form via email on or before 20 May 2016. Confirmation of participation shall be communicated by 30 May 2016.

		<ol style="list-style-type: none"> <li>15. Feedback &amp; Evaluation</li> <li>16. Valedictory &amp; Awarding of certification</li> </ol>	LS Raheja School of Architecture & Glass Academy

This program was attended by 18 Faculty members from 8 Architectural institutions from Maharashtra, including 8 faculty members from L.S. Raheja School of Architecture. Ar. Mridula Pillai and Ar. Anuj Gudekar, Assistant Professor, L.S.Raheja School of Architecture successfully coordinated the Faculty Development Program on behalf of the institution.

**Day-wise Schedule of the Faculty Development Program is as follows:**

**Day One-**

The first day of workshop began with registration and introduction over tea and breakfast. As an introductory session the participation faculty members were made to understand and discuss the role of Glass as building material, so as to ascertain the awareness as well as to highlight any misconceptions with Glass. Post lunch session began with introducing of the manufacturing process of Glass; discuss the life cycle analysis. Further the participants were made aware of various types and selections of glass based on the performance required for the design.

**Day Two-**

The entire day was scheduled for visits to "Glass Processing Line" at FG Glass Industries, Talaja. The intent of visit was to show the process of manufacture of various types of Glass. Also various other processes associated with the finished product for e.g. Bent Glass, Bullet Proof Glass, and Fret Glass etc. Lunch was organized at the visit by L.S. Raheja School of Architecture and Glass Academy Foundation, post lunch session was visit to Fabrication units where the assembly of Double Glazed units as physically demonstrated. The travel to and fro to these factories was managed by L.S. Raheja School of Architecture.

**Day Three-**

The team from Glass Academy Foundation arranged a visit to Facades India Testing Inc. (FITI), Murbad. FITI is pioneer Third party testing facility in India with its state of the art – technology which enables the architects, structural engineers and the developer to test the innovation in design and material to withstand the unique challenge of the built environment. Mr. V.S Ravi, Founder and Director of FITI, Murbad was kind enough to host the visit himself, he through his presentation made the case for a certification of the systems used in the built environment.

**Day Four-**

Mr. Govind Rajan, Director BES Consultants began the session on the fourth day with "Understanding of Glass Façade Systems, Envelope" and optimization along with codes and regulations with respect to use of Glass. He explained the need for collaboration between the Architect and the Engineer to address the problems one can foresee in a glazing system for a façade. Various examples from his practice were shown during this session so as to bring forth the issues pertaining to the system.

**Day Five-**

Mr. Piyush Agarwal, IGBC AP, GRIHA Trainer & Evaluator on behalf of Saint-Gobain Glass and Glass Academy foundation conducted a session on design workshop through building simulation software. He discussed the need for simulation to understand and then implement the system based on the performance. The post lunch session was a scheduled visit to Vivek Bhole Architect Pvt Ltd, where Ar. Vivek Bhole spoke about his practice and design and emphasised on the use of glass.

**Day Six-**

The final day for the program included a short multiple option test followed by the evaluation and feedback of the workshop. This was followed by valedictory function where the guest of honour Mr. Govind Rajan, Director BES Consultants along with various dignitaries representing Glass Academy foundation. Ar. Arvind Khanolkar, Principal, L.S.Raheja School of Architecture began the session by felicitating the guest followed by addressing the participating faculty members for a successful workshop. Each of the faculty members was then felicitated with a certificate for participating and making this one of its kind workshop on Glass a great success. The session concluded with a vote of thanks from Ar. Anuj Gudekar, coordinator for the faculty development program and Assistant professor, L.S. Raheja School of Architecture.

Dear Sir/ Madam

Greetings from Glass Academy!

Firstly, many thanks for your time and that it were an eventful meeting with a lot of positive outcomes. Below mentioned are the key points and the way forward on the discussions we had. Also, please find attached the learning objectives of the curriculum for your reference.

Would also like to come down for a meeting on Friday, 7<sup>th</sup> August 2015, to discuss more on the identification of faculty and the train the trainers agenda and schedule.

Meeting points:

1. Introducing Glass Academy Curriculum: Glass Architecture & Design for students of Architecture at L. S. Raheja School of Architecture at the appropriate year of study from the upcoming semester.
2. Conducting a training program for the faculty in-charge including industry visit/ plant visit & lectures along with final assessment.

Way forward:

1. A formal MoU between L. S. Raheja school of Architecture & Glass Academy for this program
2. Train the trainers program with a mutually accepted schedule for 5-7 days
3. Orientation program to the students on the curriculum
4. Scheduling of classes, workshops & industry visits
5. Commencement of the curriculum

We look forward to hear from you

Thanks &amp; regards

Bala Adithya. R

## **GLASS ARCHITECTURE AND DESIGN**

### **Syllabus**

This is an Industry based elective course offered to students of Architecture to provide them with concepts on modern concepts on Glass Architecture, Role of Glass in Green design and concepts on considerations for improving the building performance using glass

Name of the Program: Architecture

Term & Year:

Name of the Subject: **(Elective Theory) Glass Architecture and Design**

Subject Code:

## **COURSE STRUCTURE & MODES OF INSTRUCTION**

**COURSE DURATION: 40 HOURS**

**COURSE CREDITS: 3**

**COURSE TYPE: THEORY WITH CASE STUDIES**

**LECTURE MODES:**

- 1. CLASSROOM LECTURES**
- 2. INDUSTRY EXPERT LECTURES**
- 3. eLearning MODULES**
- 4. CLOUD CLASSROOM SESSIONS**
- 5. WEBINAR SESSIONS**
- 6. FEEDBACK & EXCHANGE OF IDEAS WITH MENTORS**
- 7. WORKSHOPS**
- 8. FACTORY/ INDUSTRY VISITS**

## **COURSE AGENDA**

**CHAPTER 1: Glass- The Building Material**

**CHAPTER 2: Glass and Green Architecture**

**CHAPTER 3: DESIGN Studio (Workshops)**

## **COURSE INDEX**

### **CHAPTER 1: Glass – The building Material**

1. Evolution & importance of Glass in Modern Architecture
2. Applications of Glass in Buildings (façade/ interior applications)
3. Understanding the Production & properties of Glass  
**Float Visit**  
**Float Visit Report**
4. Value additions
  - 4.1. Coating Technology: Importance & necessity
  - 4.2. Processing:
    - 4.2.1. Concepts on Tempering, Heat Strengthening, DGU, Laminated, Ceramic Fritting
    - 4.2.2. Different Types of Glass: Mirror, Lacquered, Fire Resistant & Modern Glass with different applications
5. Glass for segments- Hospitals, Green Homes, Airports, Offices, Other buildings
6. Understanding Glass & Human safety Compliances
7. Role of Glass in Fire Safety Considerations: Class E, EI & EW
8. Role of Glass in Acoustics
9. International Standards & Codal Provisions  
**Green Building Visit**  
**Green Building Visit report**

### **CHAPTER 2: Glass and Green Architecture**

10. Building Physics: Theory of electromagnetic radiation
11. Understanding of internal & external reflections
12. Day-lighting in Buildings: Introduction & basic concepts (VLT)
13. Solar Control and thermal Insulation(SF, UV, SHGC)
14. Need for Green Buildings: Energy efficient buildings
15. Benefits of going green
16. Achieving energy efficiency using glass

17. Factors of energy efficient material selection: Performance parameters
18. Energy codes and Green ratings: ECBC, IGBC, GRIHA
19. Approaches of energy efficiency:
  - 19.1. Prescriptive method
  - 19.2. Trade off method – Accommodating Passive architecture
  - 19.3. Whole Building Simulation
20. Case study of Green Building Designed predominantly with energy efficient materials
21. Calculations involving basic factors in Glass Design
22. Optimization of Glass: For wastage reduction & standardization of Design

### **Industry Visit**

#### **Report on Industry Visit**

### **CHAPTER 3: DESIGN Studio (Workshops)**

23. Software Analysis And Case Studies
  - 23.1. CREATE your building: Interactive Modelling
  - 23.2. Find when it's HOT : Sun Path Analysis
  - 23.3. Feel the WEATHER: Solar exposure Analysis
  - 23.4. Know the ANGLES: Building Orientation Analysis
  - 23.5. Simulate the NEIGHBORHOOD: Site Shadow Analysis
  - 23.6. Accommodate COMFORT: Daylight Analysis and Acoustic analysis
  - 23.7. Check for SAFETY: Thickness analysis.
  - 23.8. Foresee how things LOOK: Colour and aesthetics.
  - 23.9. Money matters: WASTAGE optimisation.
  - 23.10. AC load calculations and PAYBACK analysis – A comparative case study
  - 23.11. Case studies and Expert views
  - 23.12. Creative use and solutions of Glass

**Dear Prof Anuj,**

**Workshop on use of Glass and Glazing Systems in Buildings**

*(As per National Building Code (NBC) 2016 and Energy Conservation Building Code (ECBC) 2017)*

Greetings from Glass Academy Foundation.

The Glass Academy, Glazing Society of India and Indian Institute of Technology, Madras, are jointly organizing a series of workshops in major cities across the country in order to facilitate a greater understanding of the key provisions of NBC 2016 and ECBC 2017.

**In this connection, a 'Train the Trainers' workshop is being organized on the NBC 2016 relating to Glass and Glazing and special provisions relating to ECBC 2017 at the Indian Institute of Technology, Madras, between 01 February 2018 and 03 February 2018.**

The objective of organizing this training programme is to train the faculty members of premier institutions with whom glass academy has tied up across the country and make them as certified trainers for the awareness workshops in the respective cities which will subsequently be held from February 2018 onwards.

**We wish to cordially invite you to nominate your senior faculty members (Structural Engineering, Architecture and Civil Engineering) to attend this 'Train the Trainers' programme. The participants will become certified trainers, who will be handling the awareness workshops in each city. Travel and accommodation expenses will be taken care by the organizers.**

An invitation from Chairman, Advisory Board, Glass Academy Foundation is enclosed.

Kindly request you to fill the enclosed registration form and send it to us before **15 December 2017**.

Look forward to your response with nominations.

Dear Member, GSI / Select Non Member

Warm Greetings from GSI!

Bureau of Indian Standards (BIS), Glazing Society of India (GSI) and IIT Madras are jointly conducting a one-day workshop on "National Building Code 2016: Glass and Glazing Aspects" on Friday, the 3<sup>rd</sup> August 2018 at the Conference Hall, LS Raheja School of Architecture, Raheja Education Complex, Kher Nagar, Bandra (East), Mumbai – 400051. The Workshop is supported by Federation of Safety Glass, All India Glass Manufacturers Federation, Confederation of Construction Products & Services, International Fenestration Forum, Glass Academy, UPVC Windows and Doors Manufacturers Association and LS Raheja School of Architecture.

The objective of this workshop is to educate the entire construction value chain on the codes and provisions given in NBC 2016 on the use of glass and glazing systems in Indian Buildings and thereby enabling the implementation of the same.

The workshop would cover the following sections in NBC 2016

- *New Section for Structural Glass and Glazing Systems in the Part 6 Structural Design as Section 8 'Glass and Glazing' covering selection of materials, energy and light, fire and loading and safety to human impact and installation of glazing systems in buildings.*
- *New chapter Part 11 'Approach to Sustainability', which deals with different aspects of building planning, design including envelope optimization, material selection, construction, services, operation and maintenance having impact on sustainability.*
- *Fire and Life Safety related to glass and glazing aspect as per part 4 in NBC: 2016.*

The target audience of the workshop are Architects, Civil Engineers, Structural Engineers, Representatives from Government organization such as CPWD, PWD, AAI and State Building regulation authorities, builders, developers, façade consultants and building professionals.

**Dear Sir**

**Warm Greetings from GSI!**

**Glazing Society of India (GSI)** is a not for profit, independent, inclusive organization working on Standardization, Testing and Certification of Building Envelopes and its materials for Quality Performance in the areas of Energy, Safety, Structural, Acoustics, Fire Resistance and others. GSI is an inclusive organization with stakeholders from Industry, Government and Academia. GSI in collaboration with its respective Academic Partners has established three “first of its kind state-of-the-art testing facilities” in India at IIT Madras, Chennai, CSIR-CGCRI Kolkata and CEPT University, Ahmedabad for research and testing of Architectural Glass, Glazing Systems and its associated materials for ‘Safety and Structural’ and ‘Energy’ Performance respectively. GSI is also part of the Standards technical team of BIS and BEE for building Indian Standards for Architectural Glass and Glazing Systems.

With the recent launch of National Building Code 2016 by Bureau of Indian Standards, GSI has taken the mandate of training the entire construction value chain including Architects, Civil Engineers, Structural Engineers and Government authorities on the NBC 2016 provisions and codes related to the use of Glass and Glazing Systems in buildings. The Training Workshops are supported by Bureau of Indian Standards, IIT Madras, CSIR-CGCRI Kolkata, entire Glass and Glazing Industry including Glass Manufacturers and Industry associations like AIGMF, FOSG, CCPS, UWDMA and IFF.

In the phase-1, we have conducted the Train the Trainers Program for Academic Professionals from various institutions in India on 1<sup>st</sup> – 3<sup>rd</sup> February 2018 at IIT Madras, Chennai. The program was well attended by 45 participants from 16 esteemed academic institutions across the country including faculty from LS Raheja School of Architecture.

In continuation to the same, Bureau of Indian Standards and GSI are organizing the NBC 2016 Workshop on Glass and Glazing Aspects on 3<sup>rd</sup> August 2018 in Mumbai. The Workshop is supported by IIT Madras and entire glass and glazing fraternity including AIGMF, FOSG, CCPS, Glass Academy, UWDMA and IFF.

The objective of this workshop is to educate the entire construction value chain on the codes and provisions given in NBC 2016 on the use of Glass and glazing systems in Indian Buildings and thereby enabling the implementation of the same.

The target audience of the workshop are Architects, Civil Engineers, Structural Engineers, Government organization such as CPWD, PWD, AAI and State Building regulation authorities, façade consultants and building professionals.

**I hereby request LS Raheja School of Architecture to support us by hosting this workshop at your esteemed campus and thereby provide us with suitable Venue (*Hall for conducting Program, Hall for serving Lunch and Space for demo*) for 150-160 persons to attend this workshop in Mumbai. The financial for the same would be borne by BIS and GSI**

Dear Prof. Khanolkar,

Trust this email finds you in good health and spirit!

Thank you for your support for the recently concluded NBC 2016 Workshop at your institution. As you are aware, Transparence is one of India's leading design competitions for architectural students, organized by Saint-Gobain and Ethos. Glass Academy Foundation is being a knowledge partner for this event since its inception. This time, Transparence is back in its 13th Edition, with the theme –"The Business of Space"- wherein students design co-working spaces. Also, Transparence this year is hosting the "Archumen 1819" which India's biggest architectural quiz competition. Your institute is one amongst our ardent participants every year and Team Transparence is honoured to be associated with your reputed institution.

**The Regional Round – West will be taking place on 1st Feb '19 and we would like to host the Regional Round with our partnered institutions.** We would like to use the auditorium at LS Raheja for this event. The event will start from 9 AM in the morning and will get over by around 5 PM.

The agenda for the day is:

1. The morning session (9 AM to 1 PM) would be a closed room jury adjudication, where a panel of distinguished practicing architects would be evaluating the entries that have been submitted by the students. The winners of the regional rounds will be announced later in the afternoon session.
2. In the afternoon session (2PM to 5 PM), we will have regional round of Archumen. We will require a auditorium to seat around 200 people.

Our event management partners will be making all arrangements for hosting the event at your college. We would just be requiring a confirmation mail from your side and a point-of-contact with whom our event management agency can coordinate to do a recce of the auditorium on a date of mutual convenience!

To sum it up, for hosting the Regional Round at your college, we would need the following:

- Confirmation of the venue on 1st Feb 2019
- One closed room/hall and an auditorium
- Area for hosting lunch for the jury
- Availability of the pin-up boards, so that the jury members can adjudicate the entries
- Regular auditorium furniture (Chairs, Tables etc) and usage of electricity during the event
- Point-of-contact person whom our event management agency can contact to do a recce of the auditorium

Once you confirm with us on the venue, we shall meet with our Event Management Team to take it forward.

Thank you for your continued support as always. Awaiting a positive response from you!

Thanks and Regards,

Hi Anuj

I am summarizing the event flow for Transparence and Archumen on 1<sup>st</sup> of Feb.

Time	Agenda	Remarks
9:30am	Welcoming the guests at the Jury Hall. The jury hall can be a small classroom or a conference room. I have attached pictures from the North Chapter of Transparence.	At the hall we will need: <ul style="list-style-type: none"> <li>- Pinup boards</li> <li>- Table and chair for jury to sit</li> <li>- Extra chairs</li> </ul> Sound/projector etc will be arranged from our end.
10:00 am- 12:30 pm	Closed room jury	Our team will be prepared for snacks and tea for the guests.
12:30 pm – 1: 30 pm	Jury(3 people) lunch with SG team (4 people), Ethos team (2-3 people), quizmaster (1 person) and LSR faculty. This can be arranged in the HODs cabin or any other suitable place with sofas and a table to accommodate 15 people.	Food and cutlery will be arranged by us.
1:45pm – 2:15 pm	We will move to the auditorium. Before Archumen starts, the architects will interact with the students for some time. We may also give away trophies to Transparence winners at this point if the jury wants to leave early.	The auditorium should accommodate around 150 people.
2:15pm- 2:45 pm	1st round of Archumen(written round). After the written round we will move to a closed room where we will evaluate the papers for 15-20mins. While the papers are being evaluated, SG and Ethos team will make presentations to the students.	
2:45pm – 4pm	6 selected teams will go up on stage and quizmaster will proceed with the final round. The quiz will get over by 4pm.	Students will be served some snacks in between.

Hello Professor(s),

It was indeed a great honor and a pleasure meeting you today and discussing at length regarding our professional relationship and I, at this outset, thank you for making time for my meeting amongst your busy schedule. The main purpose of this visit was to understand how things are going ahead and to seek your valuable inputs in implementing the same.

I have made a note of your concerns of which the main point was regarding the valedictory function for the previous two batches who had completed their courses. I shall speak to Mr. Balaji and we would ensure that the certificates are given out at the earliest. We would also ensure that going forward, the certificates would be given to the students soon upon completion of the course.

Regarding the MOU renewal, Mr. Balaji would have a call with you to understand the terms better so that we can take this ahead post renewal. I have apprised him of the situation.

Regarding NPTEL, as per our discussion, I hope you are happy with the concept and would like to enrol the students for the same. I request you to please allow me some more time, so that before the registration commences for NPTEL, I shall send you another email with the registration link in it and all other course related details.

I have also made a note of your concern regarding arranging a field visit to any of the glass processing units in and around Mumbai for the students who take up the elective. I shall speak to Mr. Balaji regarding this on priority and would ensure that this is put in place from the batch that is going to commence the course in the following months.

I kindly request you to please share the list of students who would be enrolling for the same so that we would be able to keep a track of the progress as well. I would be visiting Mumbai again in the following weeks and would meet you again for further discussions.

Please feel free to contact me in case you need any clarification on any of the points of our discussion and I would be more than happy to help.

Regards

Sreeram Ranganathan

Date: 20/11/2018

**Sub: Faculty Exchange Program with Smt. Manoramabai Mundle College of Architecture (SMMCA)**

Sir, -

Smt. Manoramabai Mundle College of Architecture (SMMCA), Nagpur University has invited a faculty team comprising of Ar. Shraddha Geevith, **Ar. Meghana Patil** and Ar. Devendra Bawdane from L. S. Raheja School of Architecture (LSR), to take part in a Faculty Exchange Program.

This is scheduled to be held from **26th November 2018 to 28th November 2018** at SMMCA, Nagpur and a follow up session shall be conducted from 10th December 2018 to 12th December 2018 at LSR, Mumbai.

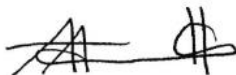

This program will entail the Faculty team from LSR to conduct a three day design workshop with the First Year Students at SMMCA in coordination with their faculty. Similarly the Faculty team from SMMCA shall visit LSR in December. Such collaborative ventures will give immense exposure to faculty members, induce enthusiasm in students and thus mutually beneficial to both the institutions.

It has been mutually agreed upon by both colleges that the expenditure for the travel, food and stay of respective faculty shall be borne by respective colleges. As, Ar. Meghana Patil has relatives in the city, there shall be no additional expenditure for the stay and food of the faculty team when in Nagpur. Hence, I request you to kindly remunerate the faculty team, which is Ar. Shraddha Geevith, Ar. Meghana Patil and Ar. Devendra Bawdane for their travel expenses to and from Nagpur. The expense for 3 Tier AC travel by train is Rs. 1840 per person one way. So each person to and fro travel expense is **Rs. 3680** (1840 X 2). The total cost for the institute shall be **Rs. 11,040** (3480 X 3).

I request you to kindly consider the above and approve of the same.

Please find attached the invite received from Ar. Vijay Munshi on behalf of SMMCA, brief formulated for the program and cost for travel by train as seen on Indian Railways website.

Dear Anuj,

Following our telephone conversation on Monday, as discussed, we have scheduled a briefing meeting to present to you UDRI's project on understanding issues faced by the indigenous community of the Mumbai Metropolitan Region. As suggested, the meeting will take place at UDRI, on 18<sup>th</sup> March 2019, at 3.00pm.

At the meeting, we would like to take you through the three-week program that we have designed for the student workshop and agree on the dates and timings for the same. We would like to further discuss with you students' inputs to the program and the various talks/ training programs which we have designed for their benefit.

As discussed, I have copied Principal Mandar Parab and Anmol Warang on this email. We thank you for confirming to join us to offer your insights into the student workshop.

We look forward to seeing you on Monday 18th March.

Thank You

Sincerely

Date: 29<sup>th</sup> October 2020

To

**Ms. Marissa Borges,**  
Red Dot Foundation

**Ms. Noelle Ann-Park,**  
Cyber Sathi Foundation

This is to confirm that "Be a Cyber Saathi", an online workshop was conducted by Red Dot Foundation & Cyber Saathi Foundation on **26<sup>th</sup> October 2020**, for **115** students (M/F) from grades and **4** teachers M/F covering the following topics:

1. Gender Sensitivity, gender roles, biases and stereotypes
2. Types of online cyber crime
3. Cyber Safety
4. Understanding the relevant legislations
5. Be a Cyber Saathi or peer mentor

The workshop was beneficial for our students as the speakers brought to light very relevant issues. They were able to generate interest in the students and increase their awareness about the conscious and responsible use of the social media platforms. The aspects of legal provisions, gender sensitivity and cyber safety expanded the students' awareness and contributed to the Institutions aim of imparting well rounded education. We look forward to several such valuable interactions with your organization.

### Project details

In partnership with the Canadian government, Red Dot Foundation (RDF) Global proposes to partner with your esteemed college to create a safe campus culture and to reduce the risk of sexual violence on campuses. Five students from each college (total 100) will be selected and trained in a leadership course. After this training, each student will conduct a series of activities on their college campuses, including awareness programs and audits of locations on and off campus for increased safety. They will also review and evaluate internal policies and remedial mechanisms and build confidence in their peers to address sexual violence whenever it is experienced or witnessed. The youth will further go on to be ambassadors and active citizens in taking up civic projects as part of the RDF alumni network. Faculty and administration will also be sensitized through workshops, particularly on the Prevention of Sexual Harassment (POSH) Act and the Protection of Children from Sexual Offences (POCSO) Act.

#### 1. Scope of Work

RED DOT FOUNDATION and \_\_\_\_\_ will produce following deliverables during contract period as mentioned in the Deliverables section.

#### 2. Deliverables

The Project timeline, activities and outputs to be delivered against the tasks (scope of work) are summarised below along with the timelines:

#### 3. Time Schedule

The time period for the assignment is from 1<sup>st</sup> September 2019 to 28<sup>th</sup> Feb 2020. The assignment is to be completed by 1<sup>st</sup> March 2020 and specific tasks are to be completed as per the timeline. Further extension beyond the project period will not be granted.

4. There is no payment for Red Dot Foundation's services.

5. \_\_\_\_\_ will have no objection to RED DOT FOUNDATION documenting the entire engagement including taking pictures and promoting the partnership on social media. Due credit will be given to \_\_\_\_\_

L.S Raheja School of Architecture Mail - Safe Campus Program - 3-5 Dec 2019, 3 day workshop for Youth Leaders. Sophia college, SI...

Dear ALL,

Congratulations and much gratitude on collaborating with Red Dot Foundation on the Safe Campus Program. Your belief and initiative to engage your students and faculty members in this program is a step forward towards creating an awareness & a civic change in the future of individuals and that of our country.

Further to our initial discussions on the program agenda and signing of the agreements, we would like to welcome the students from 6 colleges in Mumbai, to the 2<sup>nd</sup> 3-day Safe Campus Program workshop for the Youth Leaders.

It is a 3 day Program which is packed with useful information, sharing of knowledge, fun activities & building of project plans which will help the students to further carry out their project on their campuses.

Given below is the overview of the Program:

POCSO & POSH acts & its legislature

Developing leadership skills

Use of technology on creating safe public spaces

Impactful use of social media

Awareness & precautions on cyber crime &

Techniques on basic self-defence

**Date:** 3-5 Dec

**Time:** 9am – 4.30pm (please advise the students to arrive 15-20 mins early to complete the security formalities)

**Dress code:** Neat & comfortable attire & footwear

**ID Proof:** an Adhar card, railway pass or college ID needs to be brought for identification by security

**Venue:** Think pod, 3rd floor, Tower 2B, South Annex (All have to come to lobby area (1st floor) and then take the lift to South Annex- 3rd Floor). One Indiabulls Centre, ISDI Tower 2A | 7 th Floor, Lower Parel, Mumbai 400013.

**Note:** stationery (writing material), drinking water, tea/coffee & lunch will be provided.

Requesting you to please ask the students to download the Safecity App from playstore/apstore on their mobile phones before coming for the workshop

Dear Faculty members,

Thank you for engaging with Red Dot Foundation & assisting to coordinate with your students on the above.

We assure you on the benefits of the program and the development of your students to create a better civic change.

**Meeta** - 9820065228, **Payal** - 9820190471 (marked in the email) & myself will be your point of contact.

Please feel free to get in touch with either of us if needed.

Once we commence the training, we will form a WhatsApp group with the students to enable instant communication.

Reminder to please email the following details of the 5 identified students from your college as Youth Leaders (if you haven't already done so), latest by this evening:

- list of the 5 names with age, gender, whether 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> yr. or any other study level
- contact details of each student – email & mobile no.
- name of the team leader from the selected 5 students
- point of contact (faculty) – name, email & mobile no.

Dear Meghana,

Good Day!

Thank you for the continuous conversations & efforts from your side in taking the discussions with Principal Mandar, on the 'Safe Campus Program', to an agreement phase.

Its almost 3 weeks since the re-drafted MOU(based on the request from your college) was emailed. I'm aware that both Principal Mandar & yourself are keen on your college participating in this program & are trying your level best to complete the formalities. However to enrol you on the program, we require the signed MOU.

Considering the formalities and time taken to get the document signed & now, with the college being closed for the Diwali holidays, in the interim & as a one off we could accept an email from you confirming your agreement to participate.

PS I have prepared a draft with the key points included (below).

Please copy the draft & send as an email.

Workshops will commence from 15/11. Details to follow by 10<sup>th</sup> Nov.

### **DRAFT**

Dear Marissa,

LS Raheja School of Architecture, Bandra (E), is keen to engage with Red Dot Foundation on the 'Safe Campus Program', to create a safe campus culture, for the period Sept 2019 till the time the activities are completed which is not later than 1 Mar 2020.

By this email, we agree to commit, to ensure the completion of the following.

1. A nodal person (point of contact) will be identified by our college.
2. We will identify 5 students from the college to be the Youth Leaders.
3. The 5 Youth Leaders will be trained by Red Dot Foundation (RDF) to be sensitized through these workshops particularly on the Prevention of Sexual Harassment (POSH) Act and the Protection of Children from Sexual Offences (POCSO) Act. They will also be trained in a Leadership course on communication & listening skills & building empathy, use of social media, creating a project plan for Campus Ambassadors & use of the Safe-city App for audits and collection of crowdsourced data.
4. The youth will further go on to be Ambassadors and Active Citizens in taking up civic projects as part of the RDF alumni network.
5. After the training each student will conduct a series of activities, awareness programs and audits on their college campuses & around the college for increased safety for themselves & their peers.

**Implementation - The 5 Youth Leaders will:**

L S Raheja School of Architecture Mail - RE: Safe Campus Program - LS Raheja School Of Architecture

- Conduct three peer workshops on their college campus,
- Conduct an audit of their college policies and infrastructure, and
- Conduct an audit of the nearest bus stop and railway station

Advocacy - The 5 Youth Leaders will:

- write a blog post/social media creation- host an event for larger awareness on findings from their workshops and audits.

6. Faculty and administration will also be sensitized through a workshop conducted by RDF, particularly on the Prevention of Sexual Harassment (POSH) Act and the Protection of Children from Sexual Offences (POCSO) Act.

7. LS Raheja School of Architecture, Bandra (E), will have no objection to RDF documenting the entire engagement including taking pictures and promoting the partnership on social media. Due credit will be given to your college.

8. There is no payment for RDF's services.

9. RDF will issue certificates to each of the 5 Youth Leaders which will have the logo of the Canadian Government on it.

Please feel free to get in touch with me if you have any queries.

Hoping to hear from you soon and to ensure you are included in the program.

Good Evening.

This is further to the trailing mails on Gender Sensitivity workshops in September.

Being an NGO (not for profit organisation) I would like to enquire if an honorarium could be provided for the requested workshops. This would go towards incidentals i.e. training material & Trainer costs, travel expense etc.

PFA the MOU as I'm not sure if I sent it to you earlier.

Dear Meghna,

Good evening,

Thank you for seeing Priya with short notice on 22/8 & promptly returning my call today.

#### Gender Sensitivity workshops in September

We would definitely like to do the below mentioned workshops for your students, however due to our busy schedule & with many projects lined up, I will confirm the dates by the first week of September.

#### Safe Campus Program

Further to the initial discussion with Priya Tiwari & Priya Kanchan dated 22/8 & the follow up this evening, PFA the MOU & the email sent to all colleges as an introductory (email was sent to Priya Kanchan) to the Project which we will be launching from 1/9/2019.

Looking forward to a favourable response and an opportunity to meet & take the project forward.

Dear Priya,

This is with reference to our meeting the other day. We have considered the sessions to be 2 hours each and shall have an average of 35-40 students. Each day we can have lecture from 12:00 pm to 02:00 pm. Following is the list of dates that may be considered for the sessions.

16th September 2019 - Final Year Batch 1  
 18th September 2019 - Third Year Batch 1  
 19th September 2019 - Second Year Batch 1  
 20th September 2019 - First Year Batch 1  
 23rd September 2019 - Final Year Batch 2  
 25th September 2019 - Third Year Batch 2  
 26th September 2019 - Second Year Batch 2  
 27th September 2019 - First Year Batch 2

Kindly let us know if these dates are suitable for you. Will we need to make any further arrangements for the same? Also, as discussed, will you sending me a copy of the Memorandum of Understanding and details of the Safe Campus Initiative? Please feel free to call me anytime for any clarifications.

Looking forward to hearing from you.

Dear ALL,

Greetings!

Thank you Faculty members & Youth Leaders for all the efforts put in to ensure the success of the Safe Campus Program.

For the final activity/event we will be inviting Annie Dube - the Canadian Consul General of Canada in Mumbai & Etienne Lambert – Consul Political/Economic & Public Affairs at the Consulate general of Canada in Mumbai (Global Affairs Canada). Hence we need to provide them with the event dates for each college ASAP, in order for them to plan their calendars to be present for the event.

The final event should be the Youth Leaders journey of the safe campus program.

Their learnings, outcomes, challenges, findings & plan to continue the advocacy to make it sustainable.

The methodology is left up to each college to decide. We recommend you be as creative as possible.

Some suggestions are: create a video, movie, theatre, drama skit etc.

PFA a grid with the final event dates scheduled for each college.

You need to choose the convenient time slot for you from the 3 time slots provided.

Dates & Time slots will be allotted on first come first basis.

Requesting each college to kindly cooperate and revert by 23/1/2020.

Please feel free to connect with me if you require any further information.

**Subject:** CFLI Safe Campus Program Faculty workshops

Dear ALL,

Greetings!

The 3 day Youth Leader workshop was conducted in 3 sessions, 6 colleges from 21-23 Nov, 5 colleges from 3-5 Dec & the balance 1 college from 9-10 Dec.

The enthusiasm & participation from the students was the main contributing factor to the success of the workshop. The students enjoyed the interactive sessions & were very involved by freely sharing their ideas during the team building & project planning activities.

While the Youth Leaders have moved onto putting their plan into action in their respective college campuses, using all the tools provided to equip them in executing the program activities, our next step is to schedule the faculty & admin 2hr workshop sessions for each college.

In view of the same please advise suitable dates & timings from 3-31 Jan 2020 excluding 7, 14-18 Jan as I have school workshops scheduled during that time.

Feel free to connect with me if you require further clarification

Looking forward to a reply at the earliest.

Thank you

To

**Ms. Marissa Borges,**  
Red Dot Foundation

**Ms. Noelle Ann-Park,**  
Cyber Saathi Foundation

This is to confirm that "Be a Cyber Saathi", an online workshop was conducted by Red Dot Foundation & Cyber Saathi Foundation on **26<sup>th</sup> October 2020**, for **115** students (M/F) from grades and **4** teachers M/F covering the following topics:

1. Gender Sensitivity, gender roles, biases and stereotypes
2. Types of online cyber crime
3. Cyber Safety
4. Understanding the relevant legislations
5. Be a Cyber Saathi or peer mentor

The workshop was beneficial for our students as the speakers brought to light very relevant issues. They were able to generate interest in the students and increase their awareness about the conscious and responsible use of the social media platforms. The aspects of legal provisions, gender sensitivity and cyber safety expanded the students' awareness and contributed to the Institutions aim of imparting well rounded education. We look forward to several such valuable interactions with your organization.

October 29 – 2022

To,  
**Mac Pereira,**  
 L.S. Raheja School of Architecture, Mumbai

**Sub: Offer letter for Internship**

**Dear Mac:**

We received your application for Internship at our office – **ddbba**, dated 10th November 2018.

We hereby accept your application and confirm that you would be interning at our firm – **ddbba**, from 1st November 2022 for minimum 6 months.

We expect that you should be well versed with designing tools as well as digital drafting, digital model making and presentation skills. Optimal knowledge of Autodesk Auto-cad, Sketchup, Corel Draw and MS office is mandatory. At times while initial design stages handmade model making skill are also required.

During your internship, we will try our best to provide you with experience of works related to architecture, interiors, landscape, presentations, and site visits.

Kindly Note:

- We work for 5 days a week minimum.
- Our working time will be 10:00 am to 07:00 pm.
- You will get all government declared holidays. As intern you aren't liable to get any paid leaves, but at times genuine leaves can be considered if applied in advance and won't interfere in the project flow.
- If required, you might have to work on holidays which can be considered for the compensatory off during next month (if intimated in advance).
- During the training you would be offered a stipend of Rs. 5000 (will be revised as per your performance during the tenure).
- Other office protocols would be explained to you after joining.

We wish you the very best for a great learning experience. Kindly revert, confirming the receipt of this letter.

Sincerely,

**Ar. Devendra Bowdane**

*Note: Kindly go through the attached office work profile mentioning the projects that you would be working during your tenure.*

June 06-2023

## CAMPUS PLACEMENT EVENT

**JUNE 21<sup>TH</sup>, 2019**

## Campus Placement Event

L.S. Raheja School of Architecture

L.S. Raheja School of Architecture, Mumbai known for its rigorous curriculum among the Architecture schools affiliated to University of Mumbai has always produced professions who are competent with the knowledge of architecture and are practical in approach with keen sense of feasibility and efficiency. The demand for the graduates from the school by the various firms brought about the idea of hosting a 'Campus Placement Event' for the recently graduating batch of students (academic Year 2018-19). Though campus placement is not made mandatory by the Council of Architecture for the recognized institutions imparting Architectural education, the institution heads realised its importance to bridge the gap between industry and institution. The intent of the event was to create a symbiosis between the two allowing for healthy interaction and keeping the students abreast with the latest from the industry through guest lectures and site visits to various projects covering all aspects of architectural practices.

The class in-charges of fifth year Ar. Meghana Patil and Ar. Arun Fizaro along with Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar under the guidance of Ar. Mandar Parab, Principal- L.S. Raheja School of Architecture, announced the event with prior permission from the school's management. The intent of this event was to facilitate the process of placement of students of L.S. Raheja School of Architecture (B' Architecture) through interaction with the participating firms. A total of 35 firms had shown interest in the event and were sent prior invitation letters by the school for the said event.

As the event was scheduled only a month prior to the scheduled date i.e. 8<sup>th</sup> of June 2019, the number of the participating students was 30 to 35 from a class of 65 on the account of their prior commitments. Each participating student was given one panel (8' x4') each to display their work and were asked to carry copies of their Curriculum Vitae. The event was organised in the ground floor Auditorium of Raheja Education complex and the preparation for the same was done a day prior (7<sup>th</sup> June 2019) with each participating student displaying their respective work on the panel selected by them on first come first serve basis along with arrangements designed to allow for further discussions between the firms and students.

The Campus Placement Event begun at 9:00 A.M. as per the schedule and was attended by 28 students and coordinated and organised by Ar. Meghana Patil, Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar along with Ar. Mandar Parab. A total of 18 from registered firms participated the event along with 2 additional firms who visited the event directly, further couple of firms requested the coordinators for the the portfolios and the curriculum vitae of the participating students for their absence to attend the event.

Among the participating firms that attended the event there was an international firm – UHA London as well as a Mumbai based online International Architecture magazine, Volume Zero Magazine -while few were from Ahmedabad, Gandhinagar along with reputed firms from Mumbai. The varying scale of the firms allowed for the students to understand and explore their scope and role they would be assigned. Each firm interacted with the students as per their preference and offered a further interaction either through an additional interaction at the event and or a formal interview at their respective offices.

The event was a success as many of the participating firms were more than satisfied with the work and understanding of the work that was presented. As well as were happy with the conduct of the students and the event which allowed them to interact with as many students to allow them to make an informed decision especially with the faculty being around as a source to validate the reference. Further they were thankful for the hospitality that the institution provided for the Campus placement event with pure intent of facilitating the industry – institution interaction.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

**CLAUSE 1**  
**CO-OPERATION**

- 1.1. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

**CLAUSE 2**  
**SCOPE OF THE MoU**

- 2.1. The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2. **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3. **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also be involved in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4. **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Interior Design and its allied field
- 2.5. **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6. **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7. **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in the concerned sector, if available.
- 2.8. **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 0.5% of the students. The Second Party will itself absorb at least 0.5% of the trained students.
- 2.9. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.
- 2.10. There is no financial commitment on the part of the L.S. Raheja School of Architecture - Interior Design Department, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1. Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

### CLAUSE 4 VALIDITY

- 4.1. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Kaustubh Khanolkar**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner or Kaustubh Khanolkar**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's Credit, or to extend credit on behalf of the other Party.

  
First Party

  
Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. **CLAUSE 1**  
**CO-OPERATION**

- 1.1. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

**CLAUSE 2**  
**SCOPE OF THE MoU**

- 2.1. The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2. **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3. **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also be involved in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4. **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Interior Design and its allied field
- 2.5. **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6. **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7. **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in the concerned sector, if available.
- 2.8. **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 0.5% of the students. The Second Party will itself absorb at least 0.5% of the trained students.
- 2.9. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.
- 2.10. There is no financial commitment on the part of the L.S. Raheja School of Architecture - Interior Design Department, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1. Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

### CLAUSE 4 VALIDITY

- 4.1. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **MadCow Collab**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner or MadCow Collab**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

**CLAUSE 5**  
**RELATIONSHIP BETWEEN THE PARTIES**

5.1. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. ## CAMPUS PLACEMENT EVENT

**JUNE 21<sup>TH</sup>, 2019**

Bombay Suburban Art & Craft Education Society's  
**L. S. Raheja School of Architecture,**  
Raheja Education Complex, opposite Colgate Palmolive Ground,  
Kher Nagar, Bandra East, Mumbai-400051

## Campus Placement Event

L.S. Raheja School of Architecture

L.S. Raheja School of Architecture, Mumbai known for its rigorous curriculum among the Architecture schools affiliated to University of Mumbai has always produced professions who are competent with the knowledge of architecture and are practical in approach with keen sense of feasibility and efficiency. The demand for the graduates from the school by the various firms brought about the idea of hosting a 'Campus Placement Event' for the recently graduating batch of students (academic Year 2018-19). Though campus placement is not made mandatory by the Council of Architecture for the recognized institutions imparting Architectural education, the institution heads realised its importance to bridge the gap between industry and institution. The intent of the event was to create a symbiosis between the two allowing for healthy interaction and keeping the students abreast with the latest from the industry through guest lectures and site visits to various projects covering all aspects of architectural practices.

The class in-charges of fifth year Ar. Meghana Patil and Ar. Arun Fizaro along with Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar under the guidance of Ar. Mandar Parab, Principal- L.S. Raheja School of Architecture, announced the event with prior permission from the school's management. The intent of this event was to facilitate the process of placement of students of L.S. Raheja School of Architecture (B' Architecture) through interaction with the participating firms. A total of 35 firms had shown interest in the event and were sent prior invitation letters by the school for the said event.

As the event was scheduled only a month prior to the scheduled date i.e. 8<sup>th</sup> of June 2019, the number of the participating students was 30 to 35 from a class of 65 on the account of their prior commitments. Each participating student was given one panel (8' x4') each to display their work and were asked to carry copies of their Curriculum Vitae. The event was organised in the ground floor Auditorium of Raheja Education complex and the preparation for the same was done a day prior (7<sup>th</sup> June 2019) with each participating student displaying their respective work on the panel selected by them on first come first serve basis along with arrangements designed to allow for further discussions between the firms and students.

The Campus Placement Event begun at 9:00 A.M. as per the schedule and was attended by 28 students and coordinated and organised by Ar. Meghana Patil, Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar along with Ar. Mandar Parab. A total of 18 from registered firms participated the event along with 2 additional firms who visited the event directly, further couple of firms requested the coordinators for the the portfolios and the curriculum vitae of the participating students for their absence to attend the event.

Among the participating firms that attended the event there was an international firm – UHA London as well as a Mumbai based online International Architecture magazine, Volume Zero Magazine -while few were from Ahmedabad, Gandhinagar along with reputed firms from Mumbai. The varying scale of the firms allowed for the students to understand and explore their scope and role they would be assigned. Each firm interacted with the students as per their preference and offered a further interaction either through an additional interaction at the event and or a formal interview at their respective offices.

The event was a success as many of the participating firms were more than satisfied with the work and understanding of the work that was presented. As well as were happy with the conduct of the students and the event which allowed them to interact with as many students to allow them to make an informed decision especially with the faculty being around as a source to validate the reference. Further they were thankful for the hospitality that the institution provided for the Campus placement event with pure intent of facilitating the industry – institution interaction.

## CAMPUS PLACEMENT EVENT

Raheja Education Complex, opposite Colgate Palmolive Ground,  
Kher Nagar, Bandra East, Mumbai-400051

## Campus Placement Event

L.S. Raheja School of Architecture

L.S. Raheja School of Architecture, Mumbai known for its rigorous curriculum among the Architecture schools affiliated to University of Mumbai has always produced professions who are competent with the knowledge of architecture and are practical in approach with keen sense of feasibility and efficiency. The demand for the graduates from the school by the various firms brought about the idea of hosting a 'Campus Placement Event' for the recently graduating batch of students (academic Year 2018-19). Though campus placement is not made mandatory by the Council of Architecture for the recognized institutions imparting Architectural education, the institution heads realised its importance to bridge the gap between industry and institution. The intent of the event was to create a symbiosis between the two allowing for healthy interaction and keeping the students abreast with the latest from the industry through guest lectures and site visits to various projects covering all aspects of architectural practices.

The class in-charges of fifth year Ar. Meghana Patil and Ar. Arun Fizaro along with Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar under the guidance of Ar. Mandar Parab, Principal- L.S. Raheja School of Architecture, announced the event with prior permission from the school's management. The intent of this event was to facilitate the process of placement of students of L.S. Raheja School of Architecture (B' Architecture) through interaction with the participating firms. A total of 35 firms had shown interest in the event and were sent prior invitation letters by the school for the said event.

As the event was scheduled only a month prior to the scheduled date i.e. 8<sup>th</sup> of June 2019, the number of the participating students was 30 to 35 from a class of 65 on the account of their prior commitments. Each participating student was given one panel (8' x4') each to display their work and were asked to carry copies of their Curriculum Vitae. The event was organised in the ground floor Auditorium of Raheja Education complex and the preparation for the same was done a day prior (7<sup>th</sup> June 2019) with each participating student displaying their respective work on the panel selected by them on first come first serve basis along with arrangements designed to allow for further discussions between the firms and students.

The Campus Placement Event begun at 9:00 A.M. as per the schedule and was attended by 28 students and coordinated and organised by Ar. Meghana Patil, Ar. Anmol Warang, Ar. Anuj Gudekar, Ar. Mridula Pillai and Ar. Shradhanand Narkar along with Ar. Mandar Parab. A total of 18 from registered firms participated the event along with 2 additional firms who visited the event directly, further couple of firms requested the coordinators for the the portfolios and the curriculum vitae of the participating students for their absence to attend the event.

Among the participating firms that attended the event there was an international firm – UHA London as well as a Mumbai based online International Architecture magazine, Volume Zero Magazine -while few were from Ahmedabad, Gandhinagar along with reputed firms from Mumbai. The varying scale of the firms allowed for the students to understand and explore their scope and role they would be assigned. Each firm interacted with the students as per their preference and offered a further interaction either through an additional interaction at the event and or a formal interview at their respective offices.

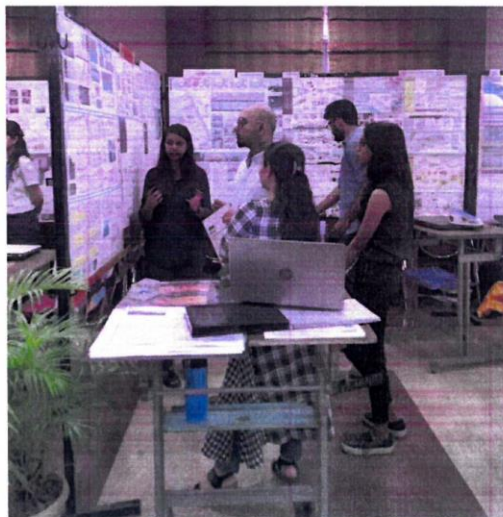

The event was a success as many of the participating firms were more than satisfied with the work and understanding of the work that was presented. As well as were happy with the conduct of the students and the event which allowed them to interact with as many students to allow them to make an informed decision especially with the faculty being around as a source to validate the reference. Further they were thankful for the hospitality that the institution provided for the Campus placement event with pure intent of facilitating the industry – institution interaction.
